In Mid-2010 the total population of Allerdale was estimated to be 94,100.

Since 2001, the population of Allerdale has increased by 600 people (+0.6%).

However, in the most recent year, 2009-10, the population of Allerdale decreased by 200 people (-0.2%).

Since 2001, the greatest percentage increase by age group occurred in the 60-64 age group (+34.5%), while the greatest percentage decrease occurred in the 30-34 age group (-33.8%);

Between 2009 and 2010, the greatest percentage increase occurred in the 80-84 age group (+3.8%), while the greatest percentage decrease occurred in the 35-39 age group (-5.0%).

When compared to Cumbria, Allerdale's population has a very similar age profile. However, the district has slightly higher proportions of children (0-14) and middle to older age adults (40-74), but slightly lower proportions of young adults (aged 15-34 years).
